SIX DAYS: THE INCREDIBLE TRUE STORY OF D-DAY'S LOST CHAPTER HC

written by
ROBERT VENDITTI and KEVIN MAURER

art and cover by
ANDREA MUTTI

June 1944. World War II. D-Day. One hundred eighty two members of the U.S. 82nd Airborne Division parachute into the French countryside–a full 18 miles southeast of their intended target. This original graphic novel from DC Vertigo is the true story of an obscure World War II battle that took place in the small village of Graignes, France, for six days and the men who survived to tell the tale.

In the worst misdrop of the D-Day campaign, a group of soldiers are rattled to the core to find themselves even deeper behind enemy lines than anyone had intended. Miraculously, the citizens of Graignes vote to feed and shelter the soldiers, knowing that the decision will bring them terrible punishment if their efforts are discovered by the Germans. That day of reckoning comes faster than anyone could expect.

As a small German militia passes through, the world's war comes to their remote town in the countryside, and for the next six days, the small band of American paratroopers and French citizens must fight for their lives to hold back 2,000 enemy combatants.

SIX DAYS is a true story of survival, loyalty, the brutality of war, and a triumph of the human spirit so rarely brought to the comics form. Writers Kevin Maurer (the #1 *New York Times* bestseller *No Easy Day: The Firsthand Account of the Mission That Killed Osama Bin Laden)* and Robert Venditti (GREEN LANTERN)–whose uncle fought in the Battle of Graignes and is a key character in the tale–completed comprehensive archival research in preparation for this unbelievable untold story of World War II.

TEEN TITANS: RAVEN TP

written by
KAMI GARCIA

art and cover by
GABRIEL PICOLO

When a tragic accident takes the life of seventeen-year-old Raven Roth's foster mom–and Raven's memory–she moves to New Orleans to live with her foster mother's family and finish her senior year of high school.

Starting over isn't easy. Raven remembers how to solve math equations and make pasta, but she can't remember her favorite song or who she was before the accident. When strange things start happening–things most people would consider impossible–Raven starts to think it might be better not to know who she was in her previous life.

But as she grows closer to her foster sister, Max, her new friends, and Tommy Torres, a guy who accepts her for who she is now, Raven has to decide if she's ready to face what's buried in the past...and the darkness building inside her.

From the #1 *New York Times* best-selling co-author of *Beautiful Creatures* Kami Garcia and artist Gabriel Picolo comes this first graphic novel in the Teen Titans series for DC Ink, TEEN TITANS: RAVEN.

DEREK MILLER

Coming in 2019 is a new line of mini-statues, each a re-creation of one of the most popular statues from DC Collectibles history, with the same quality and detail but at a reduced scale and price.

Batman and Superman are longtime allies and founding members of the Justice League, but sometimes rifts emerge and they find themselves on opposite sides. Of these showdowns, there is none more iconic than the one from the seminal BATMAN: THE DARK KNIGHT RETURNS by the legendary Frank Miller, where an aging and heavily armored Dark Knight faces down a reluctant Man of Steel. Cast in high-quality polyresin to fully re-create this beloved clash, this mini-statue will be a great addition to the collection of any Superman, Batman or DC Comics fan.

THE DARK KNIGHT RETURNS A CALL TO ARMS MINI BATTLE STATUE

sculpted by
PHIL RAMIREZ

Coming in 2019 is a new line of mini-statues, each a re-creation of one of the most popular statues from DC Collectibles history, with the same quality and detail but at a reduced scale and price.

The rain on my chest is a baptism–I'm born again...

Long retired due to age and a changing world, an elder Batman makes his homecoming to the crime-ridden streets of Gotham City in the seminal BATMAN: THE DARK KNIGHT RETURNS by Frank Miller. In this epic statue crafted from the art of the book, Batman leads the charge against a new foe, mounted atop a horse as dark as night. This high-quality mini-statue is made from polyresin, giving a rich depth of detail to both Batman and his steed. This is a must-have for fans of Batman and the Miller classic.

- Limited to 5,000 pieces and individually numbered
- Statue measures approximately 7.9" tall
- Allocations may occur

Once a Robin and now a vigilante outlaw, the man under the hood is extremely proficient in both weaponry and hand-to-hand combat, and this figure showcases both sides of his skills and persona. Highly poseable and with a small arsenal of weapons to equip, this Red Hood is a great addition for action figure collectors.

DC GALLERY: DARK KNIGHT RETURNS BATMAN COWL

sculpted by
ALTERTON

The DC Gallery collection presents reproductions of some of the most iconic props and art from across the DC Universe. For the latest release, the team has launched a collection of Batman cowls, each representing a beloved rendition of the Dark Knight's headgear from comics, games and much more.

The latest piece in the series comes from the 1986 classic BATMAN: THE DARK KNIGHT RETURNS. The cowl design is based on Frank Miller's illustrations of an aging Batman; the mask is set to showcase a wider, tired and grimaced face. The design was already iconic then, and its influence has since been seen in comics, games and movies alike.

- Limited to 5,000 pieces and individually numbered
- Statue measures approximately 8.4" tall
- Allocations may occur
- Final products may differ from images shown
